

# The Long Island Sea Searchers Newsletter Celebrating Over 30 Years

May 2009 - Volume 30, Number 3

The Sea Searchers Scuba Club provides a forum for divers to meet other divers, discuss ideas, and exchange information about dive sites. We are not affiliated with any particular dive shop.

The membership is diverse - and so are our interests; these include: beach diving; wreck diving - recreational and technical; bottle collecting; treasure hunting; underwater photography - still, digital, and video; dive travel; and, more recently, ice diving and cavern diving.

If you dive, have friends who dive, or are interested in learning, contact us about the benefits of membership; if you are interested please stop in at a meeting or drop by at a club dive.

Dues are \$25 per year for individuals and \$35 for families.
